Summer Mini Courses

2nd, 3rd, 4th & 5th Grade Summer Enrichment

Summer break is well deserved, but it is also a great time to build upon what was taught at school. Take this opportunity to send your student to one or both of these summer enrichment courses! At the first session, in June, students will be provided with a packet of enrichment activities to be completed within a month and returned to the second session, in July. This is a great way to keep your student's mind in shape without making a major time or financial commitment! Maximum of eight students per class and minimum of three.
